S I R:

The Deposit Account (# 501519) for the undersigned counsel's law firm was charged \$1,620.00 on September 3, 2009. The indicated fee code 1453 indicates that the charge is for a Petition to Revive an Unintentionally Abandoned Application as a large entity. Since this application is a Small Entity the correct fee code should have been 2453 and the amount charged to the above deposit account should have been \$810.00.

Therefore, the above-mentioned deposit account has been incorrectly over-charged \$810.00. This refund is requested to be effected by crediting Deposit Account No. 501519 in the amount of \$810.00.

SIR:

Applicants respectfully request withdrawal of the abandonment of the above-identified application in accordance with 37 CFR §1.137(b). Enclosed herewith is (1) the reply required for the outstanding office action, (2) a check in the amount of \$270 for the fee, (3) an updated power of attorney form, and (4) a statement as set forth below that the entire delay in filing which resulted in the abandonment was unavoidable.

In the alternative, if after consideration it is determined that the requirements for revival as an unavoidable abandonment have not been met, please consider this as a petition for revival due to unintentional delay.

Statement under 37 CFR §1.137(b)(3)

The present application was filed on October 21, 2003, by the law firm of Pillsbury Winthrop LLP, on behalf of the inventors Michael J. Allen and Lucien Ghislain. On April 5, 2004, an assignment of the inventors' interest in the patent application to Alegis Microsystems was recorded. A new power of attorney and revocation of prior powers signed by Michael J. Allen, an inventor and president of the assignee Alegis Microsystems was filed in September, 2005, giving power of attorney to James E. Eakin. This first revocation and power of attorney was accepted by the U.S. Patent and Trademark Office in October, 2005.

On August 22, 2007, a Request for Continued Examination and an Amendment were filed by Schiff Hardin LLP. A revocation and new power of attorney to Schiff Hardin LLP followed on November 9, 2007, signed by Mr. Allen, an inventor and the president of the assignee Alegis Microsystems.
